Suggestions for Use

- Print out all month pages at once or one month at a time.
- Distribute to students for them to keep in a folder.
- Determine colors and moods to use each month.
- Have students fill in their mood with the appropriate color at the start or end of every day.

About Kiki's Curriculum

Hi, I'm Kiki! I've been in the education space for 8 years, during which time I've taught in Title I public schools, private schools, and homeschooling & tutoring environments.

After producing educational materials for EdTech companies, I realized my desire to share my own classroom resources and ideas with educators, parents, and all other stakeholders in children's education and development!
